

DRAWING

Line up some toys, figurines, or objects from around the house against a piece of paper. Can you see their shadows? Trace around them. Trace around them.

Can you follow these instructions and draw the puppy?

SCULPTURE

Collect and clean boxes and containers from your recycling. Cut or tear some shapes, or the letters of your name. Make slots in each letter and attach them so they stand up by themselves.

CONSTRUCTION

Collect and clean boxes and containers from your recycling. Cut or tear to build an abstract face.

PAINTING

Using a **small** amount of sauce, jam, or spread, paint a portrait of someone you like onto a plate. Clean up afterwards!

Use something yummy to paint a piece of toast.

Are you brave enough to taste it?

**THEORY**

Can you find objects in primary and secondary colours and build a colour wheel?

Find paper, cardboard or bits of recycling in different colours and textures. Can you build a colour wheel?

**PRINTING**

Put some hot water and a little bit of dish liquid in a container. Put some spices, spread or sauce in the container. Mix until the colour changes. Blow into the mixture until you make bubbles. Blow into the mixture until you make bubbles. Put paper on top of the bubbles.

Find some leaves to make flowers

**COLLAGE**

Find as many of these items as you can, and arrange them in a creative way.

- 5 different leaves
