## Attendance and Punctuality

If your child is unable to attend school due to an unexpected reason, you must notify the school office by 9:30am.

New National Government guidelines from September 2024.

If any child is absent from school due to a term time holiday, or any other unauthorised reason, we will be required to refer the case to the Local Authority.

The LA will then assess the situation and may choose to issue a fine. In the first instance, payment of a penalty notice within 21 days is £80 and payment after this time but within 28 days is £160.

Circumstances where a Penalty Notice may be issued:

- cases of overt truancy
- cases of parentally condoned absence, where this can be demonstrated.
- instances where parents take children out of school for holidays/leave in term time.
- instances of excessive delayed return from holidays/leave in term-time.
- persistent lateness (unauthorised)

We will be required to make a referral when:

- a pupil has failed to attend school regularly over a 10-week period (when their attendance has fallen below 85%)
- and/or holiday/leave amounting to 10 or more sessions (5 days) is deliberately taken in term time

Please check the website for term dates.

Please come and talk to us if there is anything we can help with. We are here to try and help if you are having any challenges with attendance.

# Multiplication Tables Check

## ● June 2026

The Multiplication Tables Check (MTC) is a key stage 2 assessment to be taken by pupils at the end of year 4 (in June). The MTC's purpose is to ensure the times tables knowledge is at the expected level. In the 2023/2024 academic year, the multiplication tables check (MTC) is statutory for primary schools.

The Multiplication Times Tables Check is an online test where the pupils are asked 25 questions on times tables 2 to 12. For every question, you have 6 seconds to answer, and in between the questions, there is a 3-second rest. Questions about the 6, 7, 8, 9, and 12 times table come up more often. The questions are generated randomly based on the rules of the MTC.
