Literacy

Phonics: Please watch the phonics videos (link below- suggested set 1&2 at least). Please review tricky words using the tricky word PowerPoint (simply get children to say each word as they flash onto the screen). Now Choose 6 tricky words from phases 2-4 that your child is struggling with. Can they read them and write them down? There are additional tricky word videos on the phonics youtube channel- please have a look if you're interested.

Please take this time to consolidate and recap everything so far this week. For literacy, you may like to re-read the information from the book and go through the key language, as some of it is quite challenging.

For maths, recap numbers to 20, operations to 20 (e.g. adding, taking away, doubling, halving, sharing) and patterns (both shape and number e.g. odds and evens, tens and ones).

Have a lovely weekend!
