

# Friday 12<sup>th</sup> June 2020

## Topic: Under the Sea

### Literacy

**Phonics:** Please watch the phonics videos (link below- suggested set 1&2 at least). Please review tricky words using the tricky word PowerPoint (simply get children to say each word as they flash onto the screen). Now Choose 6 tricky words from phases 2-4 that your child is struggling with. Can they read them and write them down? There are additional tricky word videos on the phonics youtube channel- please have a look if you're interested.

**Reading:** Re watch/re-read the story of 'Somebody Swallowed Stanley'. Discuss the following questions with your child (no need for any written answers):

- Do you think Stanley is a good character or a bad character in the story? Why? (Adults- can you provide a counter argument to your child's answer to challenge their thinking?)
- Who could be the 'hero' of the story? Why do you think this?
- What would you do if you found something floating in the sea?

**Writing:** Continue with your Stanley story from yesterday- make sure you recap your plan first before you write!

### Maths: Shape, space & measure- Money (REVIEW)

Children have focussed on money this week. They have reviewed UK coins and their names, added money, solved word problems and role played shop keepers. Today, please review any aspect of money that your child is struggling with. If they are finding it particularly difficult, please stick to learning the names of UK coins, as this is the fundamental skill that underpins the others explored this week.

If you would like an extra activity for Friday, if your child is confident with these activities, please find under 'today's learning document' section a money bingo game. Have a look at the 'word list' first as this will tell you all of the available options. There are two options- a picture/written money label, or the coins.

**Challenge:** can children use the coins only bingo boards?

### Topic: Expressive art & design- Music

Please explore the link provided by Mr Nicholls:

<https://www.singup.org/singupathome/songs-for-learning/4-7>

Next week, our story is entitled 'The Pirate Cruncher'. Start to think about some pirate-inspired vocabulary which children will need next week! You may like to start thinking about pirate names too... Have a lovely weekend!

Don't forget to upload your work to Tapestry or email it to [reception@stpeterscm.co.uk](mailto:reception@stpeterscm.co.uk).
