

Thursday 2nd April 2020

Literacy: Please watch the phonics videos (link below- suggested set 1&2 at least).

Writing: Can you complete the dinosaur write up using sentences? Answer as many questions as you can! (see photo)

Challenge: Can you answer all the questions?

Maths: watch number blocks video- 19 (see link below). There is also a number 19 teaching PowerPoint for extra information. Can children complete the addition picture sentences by drawing them? Can you write the number sentence underneath the picture? (Key learning here is the idea that adding means the quantity gets larger- it is important for children to be able to verbally say their number sentence out loud- writing it down is a bonus! Children can use the terms add, plus, and equals).

Challenge: Can you work out the missing numbers by taking away? (See challenge picture on website)

Topic: RE

Children have learned the story of Easter up until Jesus was crucified. Please watch the video and discuss Jesus rising from the dead and this is why Christians celebrate Easter (idea is Jesus died for our sins.) The key idea here is for children to be able to talk about the story. Can they re-tell the story using these key words: Easter, Palm Sunday, hosanna, last supper, disciples, garden of Gethsemane, betrayed, cross, crucified, tomb, stone, risen, heaven.

Don't forget to upload your work to Tapestry or email it to reception@stpeterscm.co.uk.
