## King Henry VIII

I am Henry VIII, son of King Henry VII. I have always wanted a son. I married six different women and we had three children. I am a powerful man and work hard to make important decisions. I ruled the people of England for 38 years.

## Queen Elizabeth I

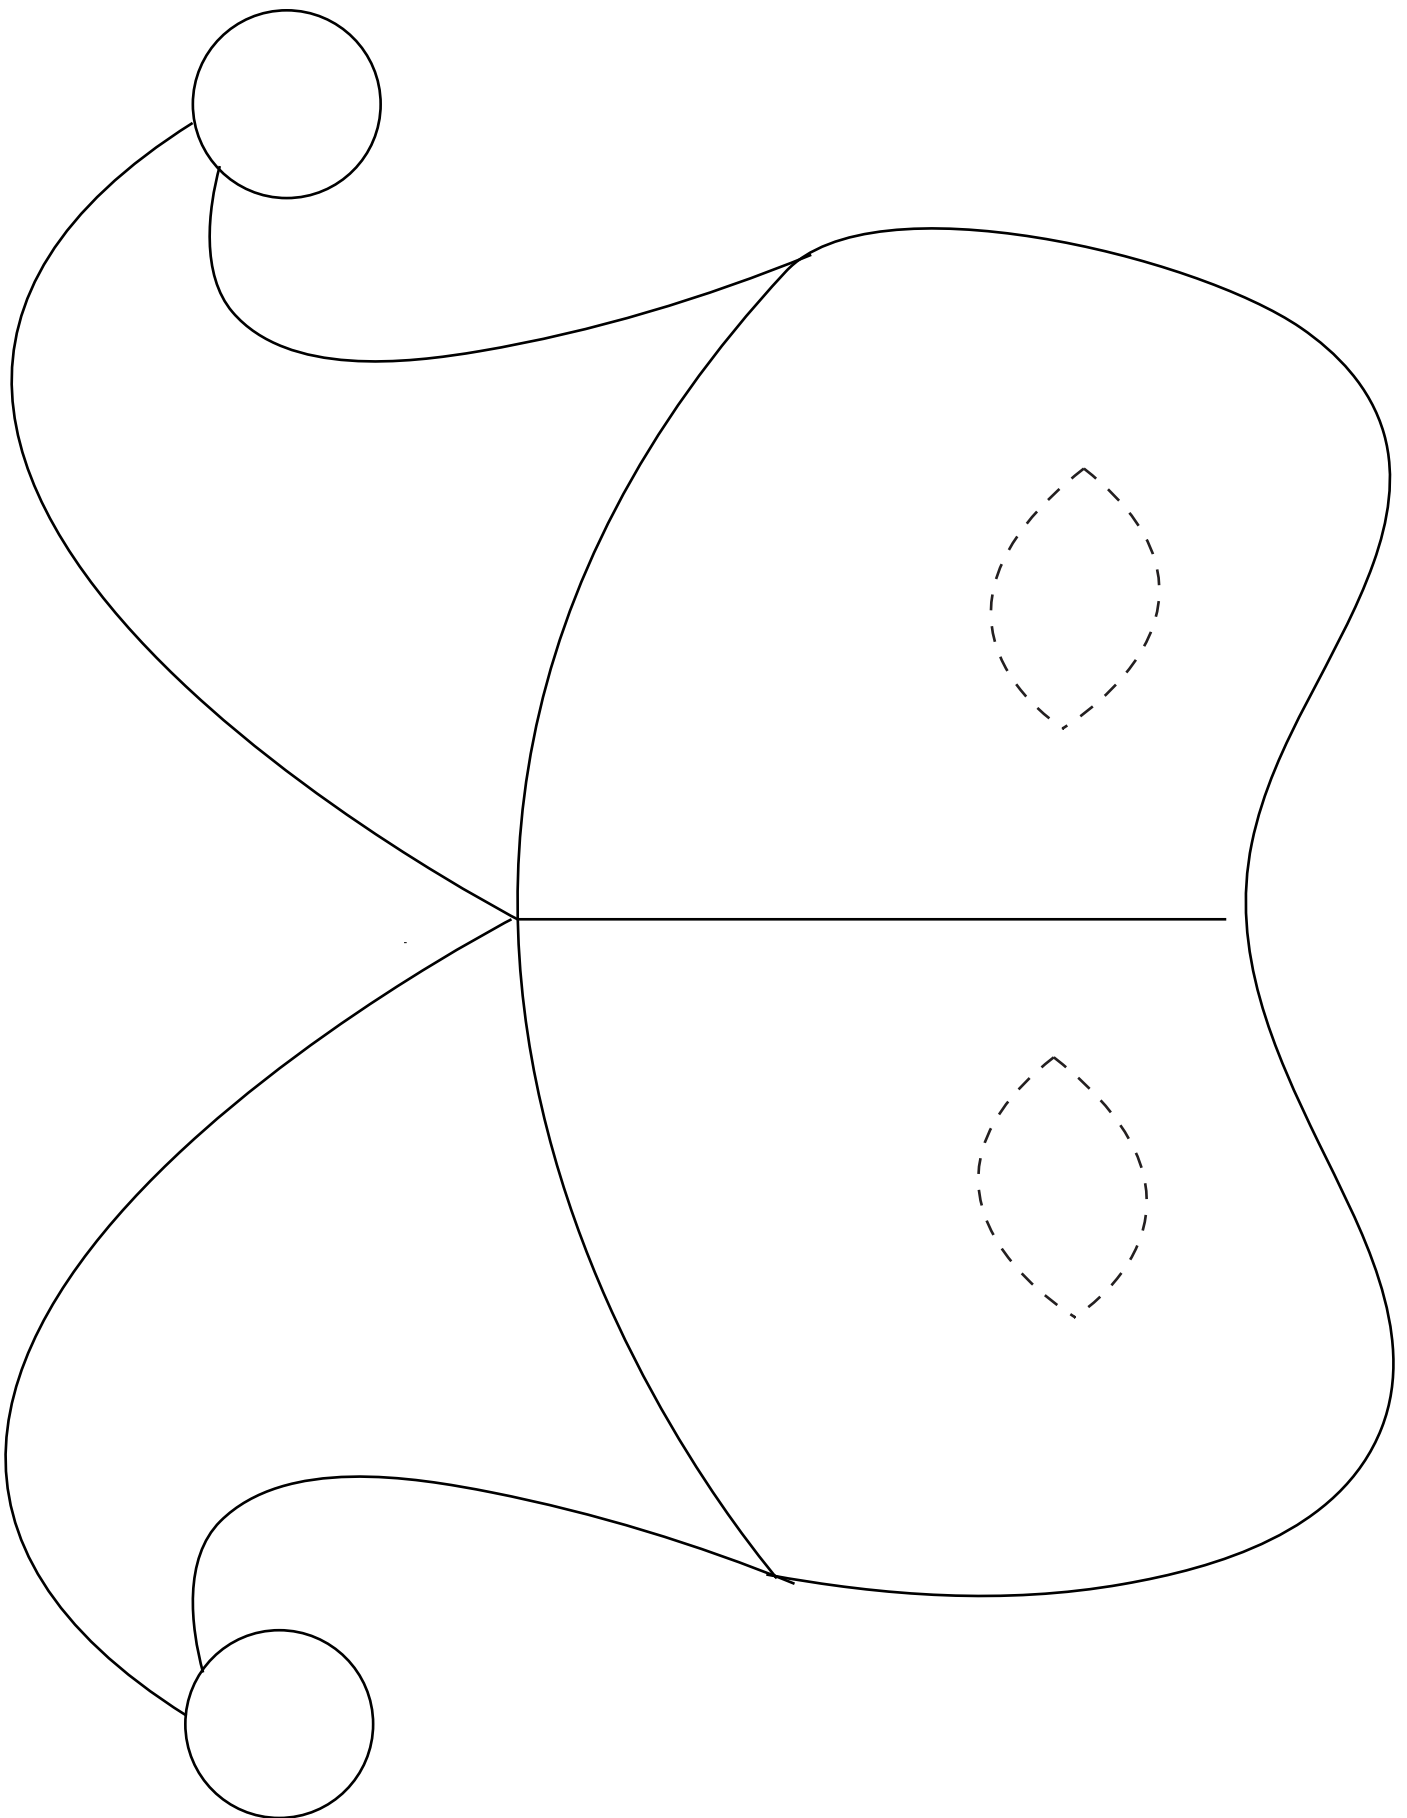

I am Queen Elizabeth I, daughter of King Henry VIII. I never got married or had children. My goal was to be the best queen for England. I am the most important person in the country. Everyone tries to please me and make me happy so I will give them things.

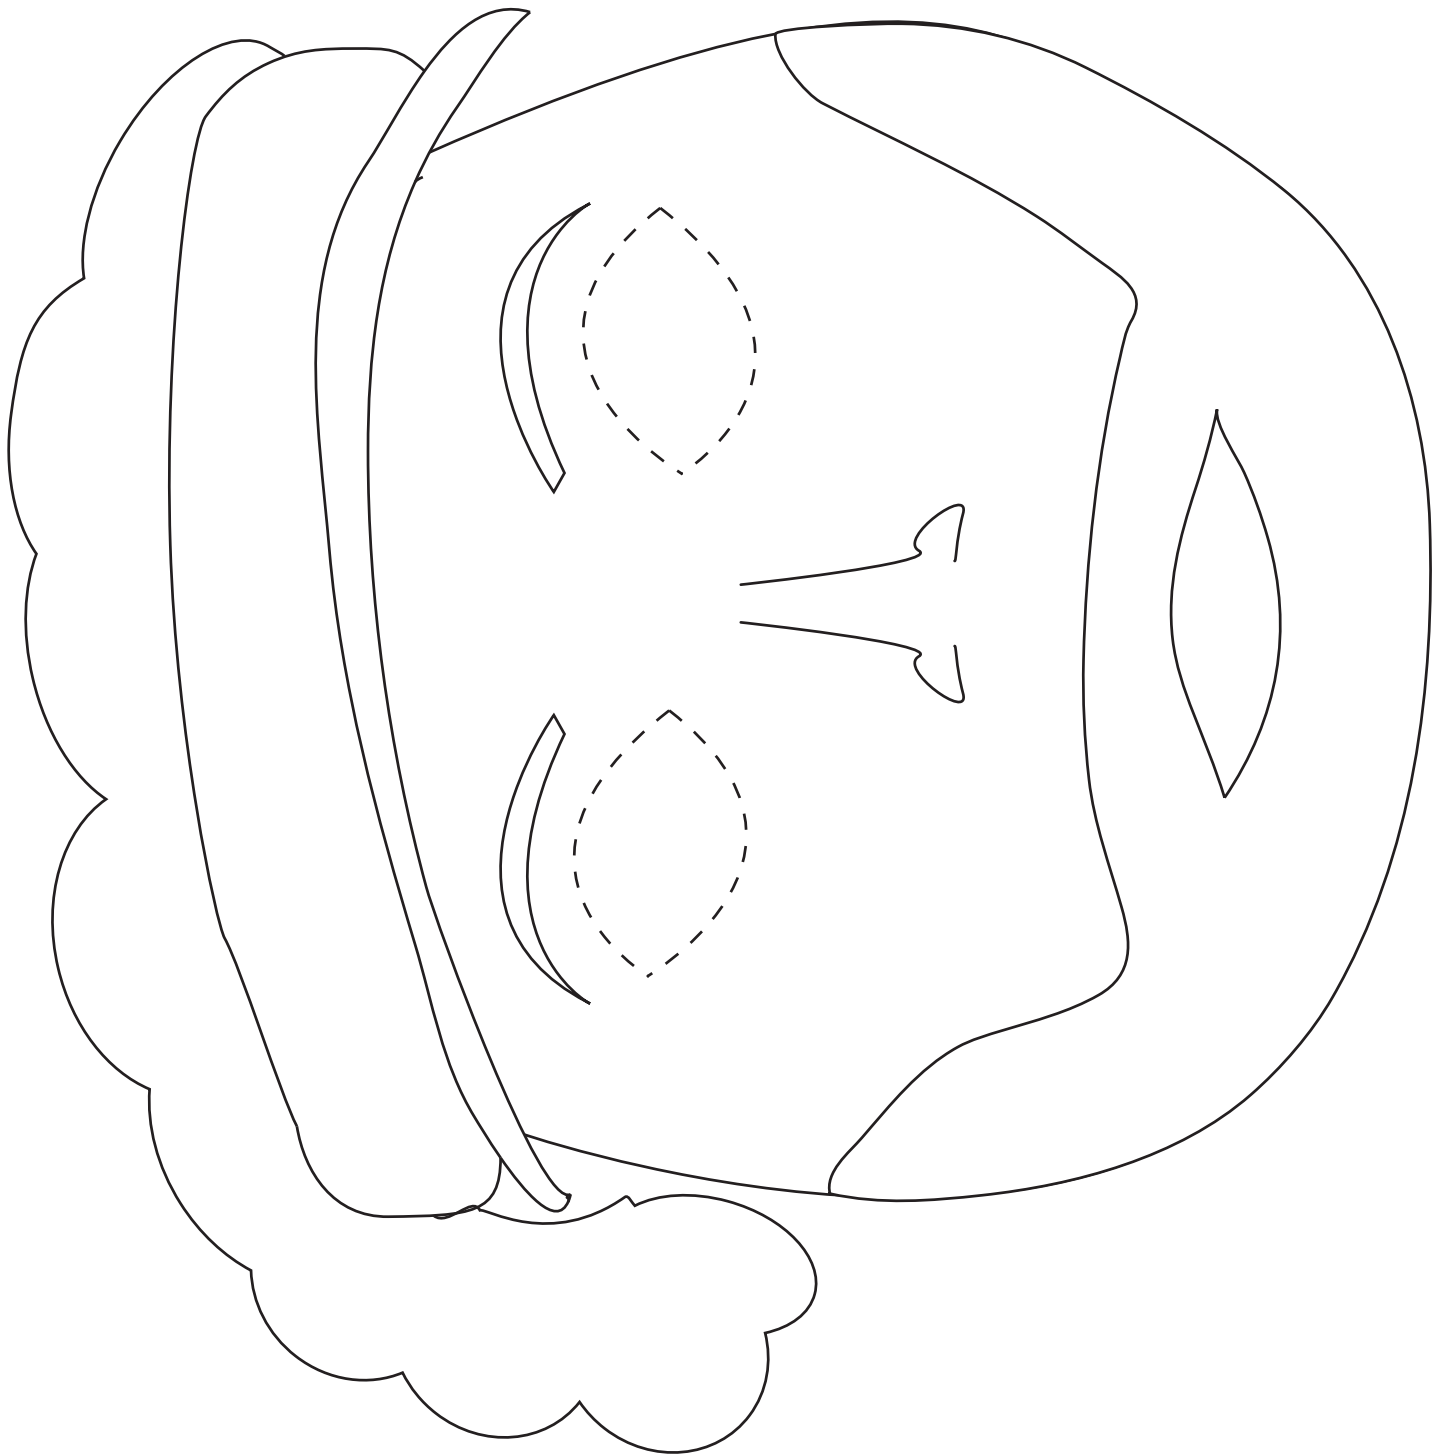

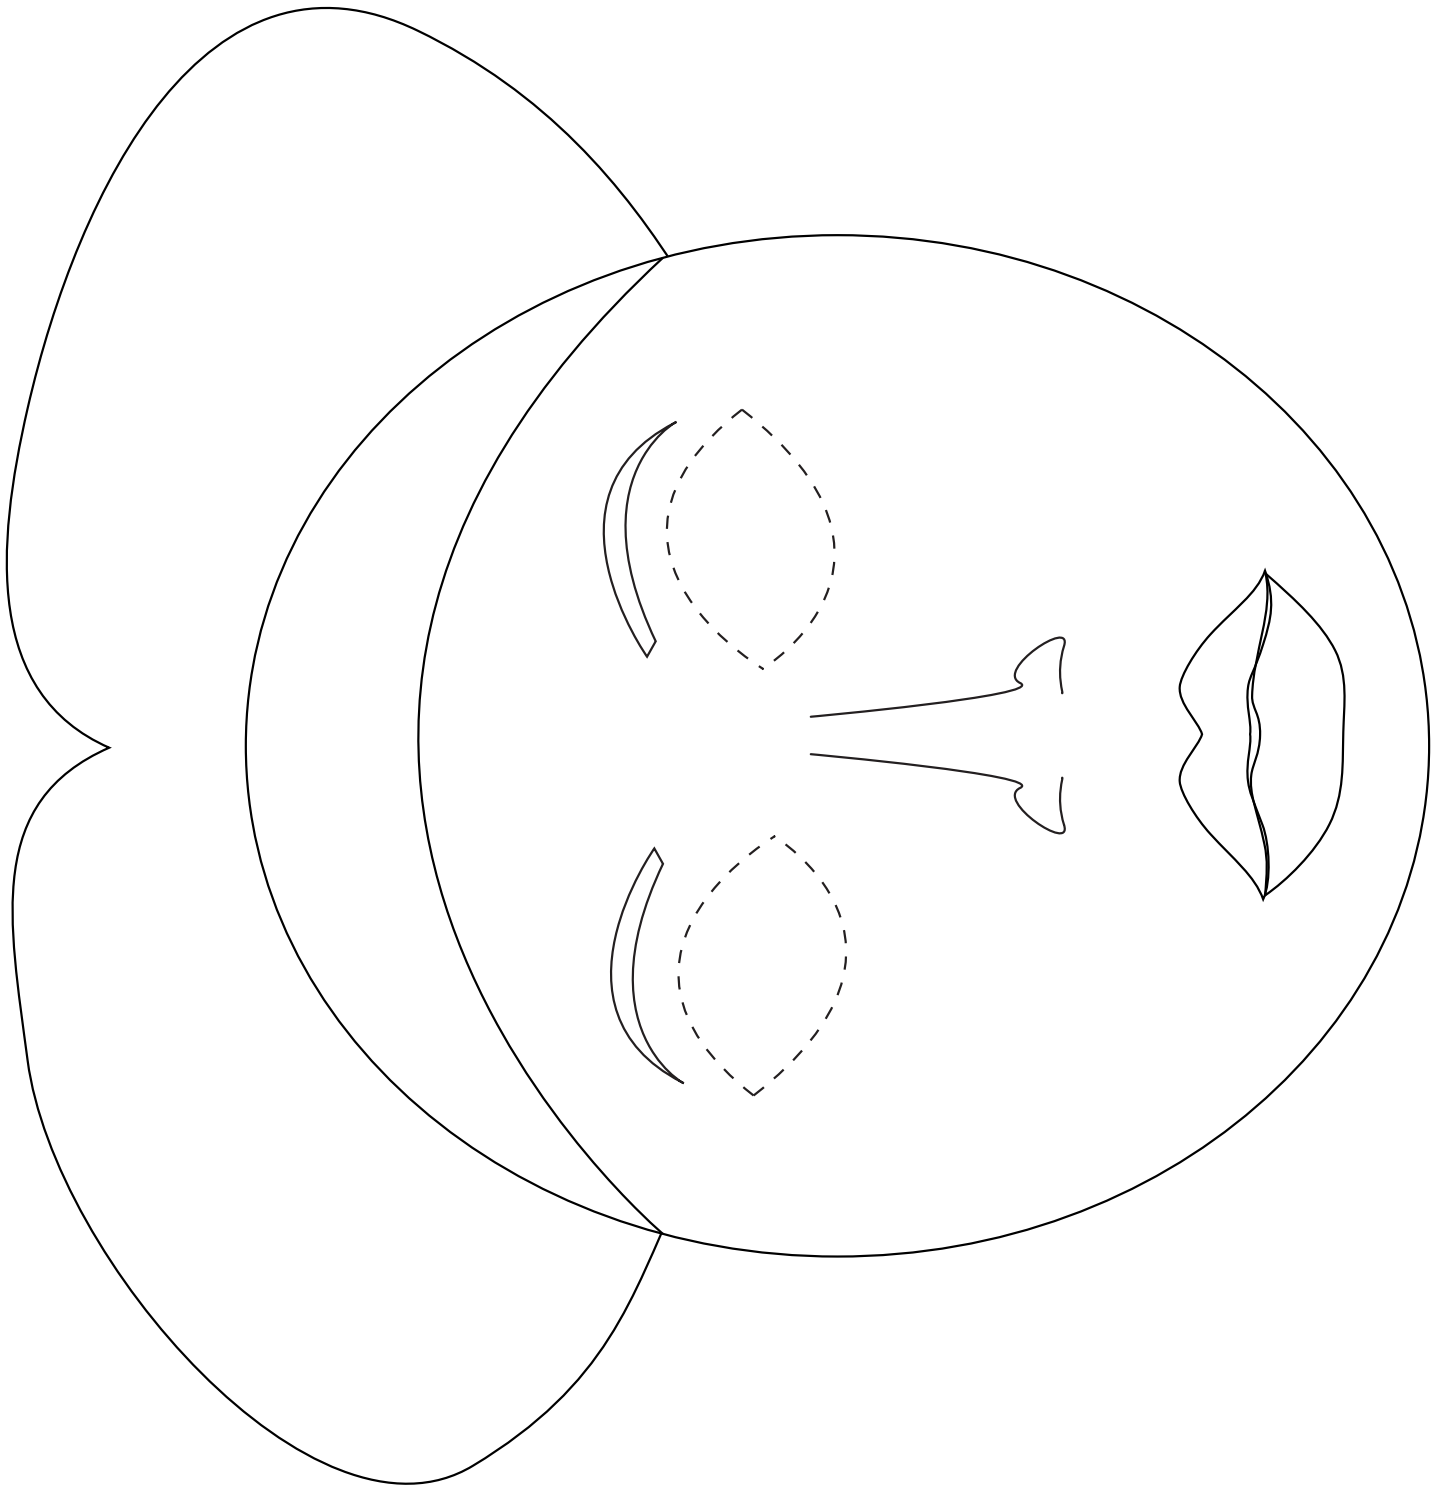

## Jester

I am a jester. I live with the royal family and I am their entertainer. I wear bright, funny clothes. I can tell jokes, sing songs, play music, perform circus acts and juggle. I make the royal family laugh and they like watching me perform tricks.
