

## Activity one - Monday

Summarise the story of the trolls that you read or heard last week - can you remember the main plot points?

## Innovating Ideas

What happens in Stone Trolls	The Underlying Plot Pattern
<ul style="list-style-type: none"><li>• Trolls hiding from people in caves</li><li>• Shouldn't go out in day light because they will be turned to stone</li></ul>	<ul style="list-style-type: none"><li>• Group of characters warned not to do something</li></ul>
<ul style="list-style-type: none"><li>• One stormy night, Skess &amp; Landra go to cliffs by beach</li></ul>	<ul style="list-style-type: none"><li>• 2 main characters (MCs) introduced and the setting is described</li></ul>
<ul style="list-style-type: none"><li>• Skess sees ship in trouble at sea</li><li>• They decide to go and rescue ship</li></ul>	<ul style="list-style-type: none"><li>• MCs see someone or something in danger in the setting</li></ul>
<ul style="list-style-type: none"><li>• Skess &amp; Landra save crew of ship</li></ul>	<ul style="list-style-type: none"><li>• MCs save them</li></ul>
<ul style="list-style-type: none"><li>• Suddenly, morning arrives – trolls turned to stone</li><li>• This explains stone pillars on beach</li></ul>	<ul style="list-style-type: none"><li>• Terrible things happen to MCs because ignored warning</li><li>• This explains feature in landscape</li></ul>

**Now, let's think about writing a new version of the story.**

The 'Stone Trolls' could be described as a 'Warning Story'.

The trolls are hiding from people and are warned not to go outside in the day light as they will be turned into stone. They ignore this warning!

Another way of saying a 'warning story' is that this story has a moral. What other moral stories do you know?

In the 'Stone Trolls', the story explains where the rocks on the beach came from.

There are other interesting things on the land that you could pretend were once trolls that tried to help people but were caught out when the sun came up!

Here are some new story ideas:

#### **Idea 1**

##### **The volcano**

This could have once been a troll who was furious when the sun came up!

**Troll was trying to save some walkers lost in the mountains.**

#### **Idea 2**

##### **The cave**

This could have once been a shocked troll caught with their mouth open when the sun rose!

**Troll was trying to save some people walking near the edge of a cliff.**

#### **Idea 3**

##### **The waterfall**

This could be the tears of a very sad troll caught as the sun came up!

**Troll was trying to save people swimming in the river.**

#### **Idea 4**

##### **The tallest rock on the cliffs**

This could once have been a very helpful king of the trolls who was rooted to the ground when the sun rose!

**King Troll was acting as a lookout.**

Here is the underlying plot pattern again with my new story idea

#### Idea 5

You could use where you live. Are there any interesting buildings, hills, rivers etc that you could imagine were once trolls? Is there anyone you want to turn into a stone troll!

*Which idea do you like best? Maybe you could come up with an idea of your own. Create a mind map with ideas for what could happen in your troll story, and key features that you would include, such as scenery if you are going to set your story in London.*

## Activity two - Tuesday

### Now Plan your Story!

★ Use the planner below to jot down some ideas for your own version of the story.

★ You could use my story idea above or the other ideas.

## Activity three – Wednesday

### Now Write your Story!

- ★ Use the model text and your plan to draft and edit your new troll story.
- ★ If you want to, you can use the first paragraph of the story below to set the scene. Just fill in the gap with your new idea for something in the landscape.

There once lived a band of trolls. They were huge, ugly creatures who were feared by humans and hid away underground in the dark caves of the nearby ice-covered volcano. All trolls knew that if they ever got caught outside in the daylight, they would immediately be turned into \_\_\_\_\_ . So, each night, under the cover of darkness, they would venture outside to hunt and fish.

#### Challenges:

Remember to:

- Pick out some key things in your setting you want to describe – use the pictures in this work unit to help you;
- Give the reader a picture in their head by using some good adjectives to describe the different things in your setting;
- Start some sentences using prepositions to let the reader know where things are – see poster below.

Poster Prepositions
Above, Below, Behind, In front, In the distance,
Remember to use a comma when you use these prepositions or prepositional phrases to start a sentence.

## Activity four - Thursday

### Now Edit and Publish your Story!

- ★ Read your work through and check that it flows and makes sense
- ★ Remember to check the spelling and punctuation and illustrate your text with pictures or drawings.

Well done! Now that you have a new story, why not publish it? Below are some simple instructions for making a mini book from a piece of A4 paper.

If you have access to the Internet, type this into Google:

<https://cutt.ly/QtvAkwq>

Here, you can watch a mini-book being made and follow the instructions.

Or try this:

### How to Make a Six-Page Book With One Sheet of Paper!

1. One sheet of white paper. 12" X 18" is a good size to use.

2. Fold in half lengthwise. Also known as a "Hotdog Fold".

3. Fold in half again.

4. Fold in half again.

5. Now you have a very small folded sheet of paper. But it isn't a book yet.

6. Unfold everything. Now it is a big sheet of paper with lots of fold lines.

7. Fold in half in the middle- this time a "Hamburger Fold". Make a mark with your pencil in the center of the folded sheet. Take your scissors and cut from the folded edge to the center dot. Stop cutting at the dot!

8. Unfold your sheet of paper. It should look like this with an open slit in the middle. Fold it in half length-wise again. (Hotdog Fold.)

9. Push folded edges towards center allowing the slit to open up into a diamond shape.

10. Keep pushing edges together until diamond becomes a slit again, perpendicular to folded edges.

11. Fold one edge toward slit and the opposite slit toward folded edge.

12. Be sure to go over the creases to make them sharp. Now you have a small six-page book!

### Activity five - Friday

Add a front cover and other finishing touches to your book. You may want to include illustrations and page numbers, and maybe even a contents page if your story is quite long or has different sections. Write a blurb on the back by summarising your story in 150 words or less, including the main story points and making it sound exciting!

Have a lovely weekend!
