

Buenos días lovely children, parents and carers!

First of all I would like to thank you for adapting so well to the new circumstances that life has brought us. Life is full of challenges, and you have well proved your ability to overcome any adversity. ¡GRACIAS A TODOS!

Who would like to practice a bit of Spanish?

I have set some optional assignments on Languagenut :) You can also practice the topic of your choice. I will update assignments weekly so that those of you that want to keep practicing your skills can do so.

On top of languagenut assignments I will be posting further ideas and assignments.

Take care and stay well!
