

A Tourist Guide to a Holiday in Bath

Bath is the largest city in the county of Somerset, England, and it is known for and named after its Romans built Bath. Bath is 97 miles west of London.

Welcome to Bath

Bath, the Roman city, is of stunning, honey coloured Georgian architecture; there's plenty to see beyond the city. Over the past spring holiday, I have seen the best attractions and the spectacular views that Bath has to offer. I have explored remarkable views, starting from the Royal Crescent, the majestic Circus and the Roman baths. Bath has a remarkable collection of museums and galleries with plenty more to see and enjoy.

Three Must-See Attractions

There is plenty to see and enjoy in Bath but the best attractions are here in this guide.

- . Explore the best-preserved Roman remains in the World, the Spa, a walking distance from the train station in the heart of the city centre.
- . The iconic Royal Crescent: a stunning view, a relaxing place to admire and to take beautiful photos.
- . Historic museums and fascinating galleries.

The Most Interesting Museums

The Jane Austin Museum and The Fashion Museum are a few minutes' walk from the City.

- . Immerse yourself in everything Austen, and all about her life at The Jane Austin Centre.
- . Travel through the time of fashion at The Fashion Museum. Bath holds a world class collection of historical dresses and Georgian gowns.

The Victoria Art Gallery

Admire one of the finest art collections and valuable pieces of the time of Queen Victoria. You can watch the great live puppet shows and enjoy the work of artists.

Bath has a mixture of history and modesty. You will explore, experience and enjoy your stay or visit. Bath is a must-see destination for any travellers or tourists; plenty to see, live and enjoy for everyone. Make sure you visit Bath and plan your trip next spring holiday!
