

Week 4- Beginning Monday 11th May 2020

Good morning Year One! I hope you had a lovely weekend 😊.

I have set up some activities for you to complete this week.

School website----- Children ----- Online learning----- Year One Lessons and activities and select the day of the week.

Phonics- Phase 5 revise- a_e, e_e, i_e

3 Sounds a week

1. Watch Miss Harle's phonics video on you tube. *If there is no video see alternative spelling activity in phonics and spelling folder.*
2. Complete the phonics activities. These are explained in video and on class page.

This is another great phonics site with home learning videos and activities

Monster Phonics

Spelling: We have covered all tricky words now, so we are going focus on common exception words and weekly spelling.

These are in the spelling folder on our class page under lessons, activities, and resources.

1. Go to the spelling folder and find week common exception words. Complete the activity for each week. This week's words are:
Here, where, there, says, push
2. Practise your weekly spellings. They are in spelling folder.

English- Story writing

We are going to write a story.

Watch the English daily lesson online (either a video or power point).

Monday

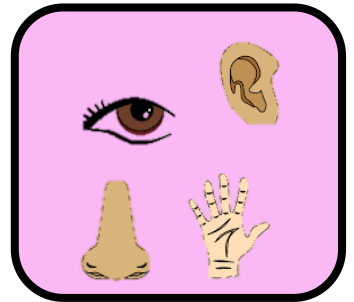

- To answer questions about a picture.
- Listen to the recording on YouTube and answer the questions about the picture.

The lesson and work are in Monday's folder.

Tuesday

- To use your senses to write sentences describing the troll

The lesson and work are in Tuesday's folder

Wednesday

- To continue a story. Listen to your teacher read the beginning of a story and you finish the story. Use your imagination to write the ending.

The lesson and work are in Wednesday's folder

Thursday

- Create my own troll. Look at the lesson for ideas and a video on how to create your own troll.
- The lesson and work are in Thursday's folder

Friday-SPAG (spelling, punctuation, and grammar).

The lesson and work are in Friday's folder

Maths

- 1- **First-** Each day watch the maths revision video. These videos are important because they are revising number concepts.
- 2- **Secondly** follow the links to do the White Rose online learning- **Week 4**
- 3- **Fancy a challenge?** See the daily challenge in the maths folder.

<https://whiterosemaths.com/homelearning/year-1/>

The screenshot shows the White Rose Maths website interface. At the top, there are navigation tabs: Resources, Professional Development, Home Learning (selected), Who We Are, and News. A search icon and a Premium Resources Centre link are also visible. Below the navigation is a pink banner for 'Summer Term - Week 4 (w/c 11th May)'. The main content area is divided into two lessons. Lesson 1 is titled 'Lesson 1 - Add by making 10'. It features a video player with a thumbnail showing colorful blocks and the text 'What does making 10 mean? Do you know your number bonds to 10?'. Below the video is a text box with the question 'Looking for the worksheets? Contact your child's school to check if they have a subscription to our worksheets. Alternatively, read more here or get some extra practice from BBC Bitesize.' Lesson 2 is titled 'Lesson 2 - Subtract within 20'. It features a 'Have a go' section with two subtraction problems: 1) $15 - 6 = \square$ and 2) $16 - 8 = \square$. Each problem is accompanied by a ten-frame with yellow dots. To the right of the lessons is a vertical sidebar menu with options: Home Learning, Easter Fun, Summer Term, Home Learning - Early Years, Home Learning - Year 1 (selected), Home Learning - Year 2, Home Learning - Year 3, Home Learning - Year 4, Home Learning - Year 5, Home Learning - Year 6, Home Learning - Year 7, Home Learning - Year 8, Home Learning - Year 9, and Home Learning - Year 10.

Monday- Add by making 10- **Work in Monday's folder**

Tuesday- subtract within 20- **Work in Tuesday's folder**

Wednesday- add and subtract worded problems- **Work in Wednesday's folder**

Thursday- Compare number sentences- **Work in Thursday's folder**

Friday- Problem solving/ challenge- **Work in Friday's folder**
