Uncle Mick's Farm

It was a long drive to Uncle Mick's farm. After 2 hours we arrived at his long dusty driveway.

When we got there, Rex came running to the car barking and wagging his tail.

"Let's go see the sheep" said Uncle Mick starting the motorbike. We all jumped on.

When we got to the sheep yard, the gate was open and there was a trail of footprints leading to the grain shed.

"Not again!" said Uncle Mick angrily. "Those cheeky sheep!"

We rode the motorbike to the shed where Uncle Mick kept his wheat.

"Oh no" groaned Uncle Mick as he opened the barn door.
