Behaviour

We teach behaviour, not tell.

We have a behaviour curriculum which is covered in depth in Autumn Term 1 and revisited throughout the year.

	Autumn 1	Autumn 2	Spring 1	Spring 2	Summer 1	Summer 2
All Year Groups From Reception to Y6	Explicit teaching of the full behavior curriculum content	Ongoing revision of content	Longer recap of the behavior curriculum	Ongoing revision of content	Longer recap of the behavior curriculum	Ongoing revision of content

Why? So children feel safe, secure and confident. When children know what is expected of them, they are more likely to behave appropriately and can focus on learning. We provide children with a predictable structure that supports both their well-being and learning.

Behaviour - St Peter's School Rules

We teach behaviour, not tell.

Good to be Green

Homework

Subject & Year group	Homework set
English All years Daily reading	Reception and KS1 children: 10 minutes 5 x a week. Parents need to write a short comment in the diary for each day and sign it at the end of the week. Books and diaries need to be in school every day. To begin with, if your child is in Reception, they will receive wordless picture books. Please share this book with your child and talk about the story and characters as well as practising the sounds. More information about Reception reading will follow at the Reception Phonics Workshop on 11th September at 9am. KS2 children: 20 minutes 5x a week. Children need to write the title of the book as well as the page numbers in their diary and this needs to be signed by an adult on a Friday. There are lots of timetabled opportunities for the children to read their book throughout the week so books and diaries need to be in school every day. All diaries will be checked on a Friday and if your child has not completed their reading homework (5 entries) you will receive a text home reminding you to read with your child.
Spellings Years 1-6	Spelling lists will be sent home in your child's homework book. They will need to do a written task with the spellings in their homework books which involves writing a sentence for each of the spelling words. The children will have a spelling test on Friday.
Bedrock Vocabulary Years 3-6	Children need to log in twice a week and complete at least 2 x 20-minute sessions. Logins will be stuck into your child's diary next week. Year 3 parents, you will receive an introductory letter next week.
Maths Online Years 1-6	Timetables Rockstars/ NumBots at least 3 x a week for 10 minutes Logins will be stuck into your child's diary next week.
Maths Practice Journal Years 2-5	10-20 minutes x 1 a week. Each homework activity is matched to the teaching and learning taking place in Maths lessons in class each week. The pages will be indicated in the class newsletter paragraph. You will receive a separate letter about payment next week.

Shared reading - Mon

Little Wandle - Thurs

Maths - Fri

Homework - Fri

Reasonable adjustments will be made for some children. Please speak to me if you have any concerns about homework.

Please read with and to your child every day.

Develops vocabulary – children hear new words and learn what they mean.

Improves listening and concentration – children learn to listen carefully and follow a story.

Supports reading skills – regular reading helps children recognise words, understand sentence and develop fluency.

Builds comprehension – talking about characters, events and what might happen next help children understand what they read.

Encourages imagination – stories allow children to explore different people, places and experiences.

It's fun!

Why read for 20 minutes a day?

CHILD A

reads 20 minutes
per day

hears 1,800,000
words per year

CHILD B

reads 5 minutes
per day

hears 282,000
words per year

CHILD C

reads 1 minute
per day

hears 8,000
words per year

Strong literacy benefits learning across all subjects.

Enrichment

Forest School

Forest School Dates 26/27

Reception: 12th October, 7th December, 1st February, 15th March, 10th May,
28th June (half day)

Year 1: 12(half day)

Year 2: 29th September, 19th January, 27th April (full day)

Year 3 17th November, 2nd March, 22nd June (full day)

Year 4 22nd September, 12th January, 20th April (full day)

Attendance and Punctuality

Whole school 2024/2025: 93.4%

Whole school 2025/2026: 94.7%

Target for 2025/2026: 96%

Why school attendance matter:

Regular attendance helps children keep up with their learning, build friendships and develop a strong sense of belonging. Recent Department for Education research found that pupils who attend school more regularly are more likely to achieve better results, while missing school can affect both educational progress and future opportunities.

[The link between attendance and attainment in an assessment year](#)

Attendance and Punctuality

We notice and miss your child when they're not here!

If your child is feeling a bit under the weather, please bring them in, let one of us know on the gate and we will monitor them carefully and always call you if we think they need to go home.

Is my child too ill for school?

<https://www.nhs.uk/live-well/is-my-child-too-ill-for-school/>

NO

CONJUNCTIVITIS	You don't need to keep your child away from school if they have conjunctivitis. Do get advice from your pharmacist. Encourage your child not to rub their eyes and to wash their hands regularly.
COUGHS & COLDS	It's fine to send your child to school with a minor cough or common cold.
HAND, FOOT & MOUTH	If they seem well enough to go to school, there's no need to keep them off. Encourage your child to throw away any used tissues straight away and to wash their hands regularly.
HEAD LICE	There's no need to keep your child off school. You can treat head lice and nits without seeing your GP.
THREADWORMS	Speak to your pharmacist, who can recommend treatment.
SORE THROAT TONSILLITIS	You can still send your child to school if they have a sore throat. But if they also have a high temperature, they should stay at home until it goes away.
SLAPPED CHEEK	You don't need to keep your child off school if they have slapped cheek syndrome because, once the rash appears, they're no longer infectious.

Attendance and Punctuality

If your child is unable to attend school due to an unexpected reason, you must notify the school office by 9:30am

If any child is absent from school due to a term time holiday, or any other unauthorised reason, we will be required to refer the case to the Local Authority.

The LA will then assess the situation and may choose to issue a fine. In the first instance, payment of a penalty notice within 21 days is £80 and payment after this time but within 28 days is £160.

Circumstances where a Penalty Notice may be issue:

- cases of overt truancy
- cases of parentally condoned absence, where this can be demonstrated.
- instances where parents take children out of school for holidays/leave in term time. [ag](#)
- instances of excessive delayed return from holidays/leave in term-time.
- persistent lateness (unauthorised)

We will not authorise any holidays in term time.

We will report your child's attendance to you half termly.
We will contact you if we notice attendance is dropping.

We will be required to make a referral when

- a pupil has failed to attend school regularly over a 10-week period (when their attendance has fallen below 85%)
- and/or holiday/leave amounting to 10 or more sessions (5 days) is deliberately taken in term time

Please check the website for term dates.

Please come and talk to us if there is anything we can help with. We are here to try and help if you are having any challenges with attendance.

Safeguarding

Safeguarding is at the forefront of everything we do. We are committed to providing an environment which is safe and where the welfare of each child is of paramount importance. This includes a commitment to ensuring that all pupils feel confident that any concerns they may have will be listened to and acted upon.

If a child makes a disclosure of any kind of harm we have a legal duty to report it to the Designated Safeguarding Lead and they have a legal duty to report to Children's Services. It is Children's Services who will assess the information and decide what action, if any, is required. Our role is not to determine whether harm or the risk of harm has occurred; our responsibility is to listen, take the child seriously, record concerns accurately and report them through the appropriate safeguarding procedures. Passing on a concern is never personal. It is about ensuring that children are safe and that the right professionals have the opportunity to assess the situation.

Our Designated Safeguarding lead (DSL) Alice Ducros (Headteacher)

Deputy DSL's are Hattie Friedman (Deputy Headteacher) and Micaela Wright (SLT)

Our DSL link Governor is Louise Macho

Our school is paperless - all communications will be sent via text or through the office.

Change in pick up

Please contact the school in advance if your child is going to be picked up by someone different.

Office: 020 7186 0083

office@stpeterscm.co.uk

Parent Rep

Year 3 Rep - TBC

Responsibilities:

- Passing on messages from the teacher to the Y3 Whatsapp
- Attending PTA meetings when possible

Thank you for listening.

It's going to be great year!
